Don't waste your money if you're over 17

By soulsearcher

How is this getting 5 star reviews?? Bucket list? Original ideas... like these 20 or so: carpet & park picnics, play frisbee/tennis, water fight, coffee, cook together, eat pizza (!), eat outside, look at stars, movie w/ popcorn, snuggle watching tv, a concert, take a drive, yard sales, make hot chocolate (!), ding dong ditch-omg, do a craft, play a game, take funny face pics, dinner out, go to winery, shopping...really?? Who hasn't thought of most of those things and why do we need a book to tell us about these common, worn out ideas?? Maybe some ideas are good for the kiddos or teens (like body paint twister, dress each other up/ make costumes (which kids do naturally anyhow), make up your own game rules) but many are still common ideas. This book is not creative/ useful ideas for mature/ adult dates. There should be an age disclaimer. Don't waste your money if you're over 17.
