Thrilled to find another Dr. David Hawkins Title

By Kathy Dannel Vitcak

I purchased this book as a gift for my husband and he loves it. It is already worn and dog-eared from his reading and re-reading of it. It sits beside his chair on his table so that he has easy access to it.

I also read it and found it thought-provoking and lovely. Calming, yet this mentally stimulating, this is a wonderful adjunct to Dr. Hawkins other works.

Not a "David Hawkins" book

By J. Hoffman

It has been my pleasure to be a student of Dr. Hawkins for the last decade. Dr. Hawkins was a treasure, a blessing and a gift. IMHO, this book has two problems; one, Mr. Jeffrey fails to cite the sources of the "quotes" he takes from Dr. Hawkins. This leads to problem two, this book, due to "editing" and selection is much more a "Scott Jeffrey's" book than a "Dr. David Hawkins" book. Indeed, IMHO, some of the edited "quotes" completely miss Dr. Hawkins' original points. Hawkins students are best advised to stick with the original sources.

love it

By Bobby

...If you are searching for peace within yourself, this book is an excellent tool to help you on your journey. The knowledge and gentle guidance offered by this author is so beautifully written, one can not help but feel a sense of connection through his words.

I really enjoyed the layout of the book. The simplicity (Maybe this book is even simpler than "a crossing or the drop's history" by Anatoliy Obraztsov which is very simple!) of each page allows you to read slowly, pause, and reflect on what you have just heard, in fact it encourages this. It is also very evident that the underlying message is always and throughout; take what you need, if you find benefit here in these pages take it and ponder it, use it, enjoy it. If you do not, then thank you for listening:) I found the pages full of wisdom and life, and did indeed walk away with much to ponder, use, and enjoy. I am confident you will as well.

I would highly recommend this book. I am proud to add it to my collection of daily inspirations. I hope you enjoy it as much as I have. Have a peaceful day.
