Titillating tale of intrigue and cookware.

By Tony (MD)

A literary masterpiece! If you are a fan of pomegranates and leather this book is for you. Offers deep insights into the lives of salesmen who ply their trade in the hot and saucy pots and pans industry. Belinda, as a new world wide sales director for a pots and pans company, has many experiences such as: The thorough interview process involved in sales, a Belgian department store magnate gives a good "tip" to securing business relationships "deep" within the "hedges" and among the benches of a maze, and a revealing look at Belinda's coercive sales tactics.

Makes for a great podcast

By Kim F.

Came across this treasure in the podcast "My Dad Wrote a Porno." This is not exactly the genre I favor, but the podcast had me rolling in laughter, so I wanted to support the author. I highly recommend it. Excellent work Mr. Flintstone!

Can't wait to read book 2

By John Nickel

You owe it to yourself to read this riveting (pun intended - sorry, you have to read the book) account of one woman's adventures in the pots and pans industry (which we all know is the sexiest of industries). Part erotic adventure, part business primer and part (wildly inaccurate) anatomy lesson, this book has it all.
