A Test of Knowledge

By CeeCee

This is a good book, however the ebook reveals the answers along with the questions, which sort of takes

away from your true knowledge of the Bible.

Print is too small to be readable

By Sue Benison

The print is so small that it is barely readable. I thought it would be a good investment as the description made the book sound very interesting. However, because it is not readable, it was a dreadful decision and waste of money.
