The verdict is not just the book [Double Whammy By Carl Hiaasen](#) that you hunt for; it is just how you will certainly obtain several publications to sustain your ability and ability to have piece de resistance.

From Publishers Weekly

A Miami Herald reporter who struck a blow against corrupt entrepreneurs in *Tourist Season*, Hiaasen follows through with this acid satire, a real double whammy. Private detective R. J. Decker is hired to prove that TV host Dickie Lockhart cheats to win fortunes in Florida bass-fishing tournaments. The investigation makes Decker a prey to hired killers who have murdered other "snoops," but the detective also finds a strong if weird ally in a hermit who calls himself Skink. Along with two honest cops, Skink goes with Decker to the lake where a big tournament is under way and the four make a tremendous splash, to the dismay of the assembly. Hardest hit is Reverend Weeb, Lockhart's sponsor on the Outdoor Christian Network, whose generous supporters don't know that he's addicted to prostitutes, profanity and land-grabbing. The cast of bizarre characters and the suspenseful events confirm Hiaasen's reputation for creating singular villains and heroes. While he's probably unpopular among some fellow citizens in his home state, he will certainly please readers who appreciate the Swiftian wit in his cautionary tales.

From Library Journal

The "double whammy" is a special lure used in the competitive bass fishing underlying the plot of this thriller by Miami journalist Hiaasen (*The Tourist Season*). Someone is cheating at bass fishing competitions, and people are getting killed. Enter R.J. Decker, former photojournalist and ex-con. Decker teams up with Skink, an unbelievable character who lives in a forest shack, eats road-killed animals, and reads Dostoyevsky (and turns out to be the ex-governor of Florida). Decker's an unlikely hero, always a step behind. Other characters include the usual corrupt TV evangelists, rednecks, smart black policemen, and betrayingly beautiful women. The action is swift, and there are some very funny scenes. Louise A. Merriam, L.E. Phillips Memorial P.L., Eau Claire, Wis.

This book Double Whammy By Carl Hiaasen is composed for public and also you are one of them which could enjoy reading of this book [Double Whammy By Carl Hiaasen](#)

DOUBLE WHAMMY BY CARL HIAASEN PDF

R.J. Decker, star tenant of the local trailer park and neophyte private eye is fishing for a killer. Thanks to a sportsman's scam that's anything but sportsmanlike, there's a body floating in Coon Bog, Florida -- and a lot that's rotten in the murky waters of big-stakes, large-mouth bass tournaments. Here Decker will team up with a half-blind, half-mad hermit with an appetite for road kill; dare to kiss his ex-wife while she's in bed with her new husband; and face deadly TV evangelists, dangerously seductive women, and a pistol-toting redneck with a pit bull on his arm. And here his own life becomes part of the stakes. For while the "double whammy" is the lure, first prize is for the most ingenious murder.

Hiaasen's funniest book--and THAT is saying something!

By Gary Jonas

I stumbled across one of those bass fishing shows a few days before I read this book. I couldn't believe people would sit around and watch people fish! But they do. And Hiaasen had a ball writing about it, too.

This book has so many great moments. Skink and the poodle is one of the funniest things I've ever read. I laughed so hard, tears streamed down my face. I called a friend and tried to read the scene over the phone, but I couldn't stop laughing. It's all right, my friend knew I was crazy. He rushed out and bought the book, though! The pit bull in the trailer park scene and the aftermath is also priceless. I guess this is Hiaasen's dog book as well as his fish book.

Needless to say, if you haven't read Hiaasen, start with this one. You'll be hooked.

This book is not "chic lit", but one of the few guy tales available today.

By C. F. Crowe

Carl Hiaasen writes Florida books as if this state is the only piece of the land that has wild places that must be saved from the unwashed literary world. The story here focuses on Bass fishing and the sport's crazed followers.

You will be engaged in an unbelievably complex story involving the corruption that exists in the fishing world of the South. This book includes the exploits of Skink, a recluse that travels the Florida landscape searching for recent road kill to prepare for dinner.

Hiaasen is an acquired taste, and I have acquired it.

By Jerry D

I'm a huge Carl fan and I loved this book but I was a bit stunned to find so many spelling and grammatical errors. I previously read the paperback version of this book and discovered no errors so I can only conclude that when the book was digitized, it was completed without any proofreading. This is unacceptable and a huge insult to the author. Come on Kindle people, let's get it together. This is an embarrassment!
