Danielle's in a new town with very little money, so she jumps at the chance to work at a billionaire's party. There, she meets Andrew, the handsome, young, and very complicated, billionaire.

Andrew is fascinated with Danielle's normal life, and invites her to his home with promises of showing her his private movie theatre and bowling alley. Once there, Danielle ends up spending most of her time in one room, a very special room filled with toys and devices specially designed to provide pleasure.

The billionaire gives Danielle a break from the hardships of her life when he takes her hard, and without protection, but there's something else he wants from her, something that will extend his legacy. Is Danielle prepared to give it to him?

showing her a different room

By Erin

She thinks he takes her home to show her his theater, but he shows her something else. And she loves this room even better. And what happens in that room is sexy and hot
