FORSAKEN: FALL OF ANGELS, BOOK 2 BY KEARY TAYLOR

PDF

It's been four months since Alex gave everything to save Jessica. Life should be perfect; she has Alex, she's been freed of the nightmares, and most of all - she's alive. But some things have changed, some things haven't. That's the problem. Alex still hasn't asked "the question". Jessica can't see the reason why, and it's tearing her apart. He's keeping something from her.

Alex isn't the only one who has changed though. Something is different about Jessica, but she doesn't understand what's happened. She just knows something's wrong, that she feels different than she used to, on a skin deep level. And it may keep her and Alex apart. Forever.

But while Alex and Jessica struggle to stay together, Cole is not about to be forgotten. There are a few things he didn't tell Jessica, about his past and her future. There are reasons why he came after her, reasons that are tied to his history that is darker than she could have ever realized.

Good story written poorly.

By Jessica

The first book was great. Second one, not so much. The story line is really good. It's the way it's written that drives me crazy! The author is constantly 're capping what happened. I constantly had to skim threw paragraphs because I was reading the same thing over and over again. Also, the author spelt out everything that was happening so you knew what was going to happen before it did. I wish the author would of let the reader put the puzzle pieces together ourselves instead of dumbing it down for us. After I finished this book I decided to not even continue with the third. I want to know what happens in the story I just can't take how this book is written!

By Kindle Customer

I really like the story the author is telling, but I can't help but notice so many errors in the writing. In some places it was lack of comma's, and then I started to notice spelling errors and they placed a character's name incorrectly. These errors were in places that were important to the story, so it made it a little confusing. I love this series so far and I plan on reading book 3, but I do feel that when a book is being published it should be

published without errors. It is almost like they published the second phase rough draft instead of the final draft. I will continue to read works of this author, as I enjoy her writing style.

Forsaken Not

By tammy l samborski

Excellent and smooth read. I appreciate the compassion for each character and the ability to see the good in everything while being realistic to the situation.
