## **Review**

The approach, the contents, and the layout are almost perfect; my students of first year Chinese cannot believe that they are making such great progress. --Yu Feng, Professor of Chinese, Brandeis University

This new edition of Integrated Chinese is an outstanding achievement. Complete with interesting cultural notes, useful authentic materials, and a wealth of interactive exercises, the authors have outdone themselves AGAIN! --Dr. Zoe Wu, Chinese Language Program, Pasadena City College

Overall, we would rate Integrated Chinese as superior, innovative, and extremely versatile. We recommend it without hesitation as an invaluable core component of a Chinese language program at both the high school and college levels. --Lisa M. Carlucci, MS, MA, Robbinsville (NJ) High School/Washington Township Public Schools-Mercer and Franco Paoletti, PhD, East Windsor (NJ) Regional School District

# INTEGRATED CHINESE, LEVEL 1 PART 1 TEXTBOOK, 3RD EDITION (TRADITIONAL) BY YUEHUA LIU PDF

Cheng & Tsui's best-loved Chinese textbook series is new, revised, and better than ever! Integrated Chinese is already the leading introductory Chinese textbook at colleges and universities around the world. The third edition of this time-tested series has been fully updated to meet the needs of today's students with new communicative and interactive exercises, a full-color design, up-to-date vocabulary, enhanced cultural coverage, a diverse cast of characters, and a realistic storyline linking all the dialogues and readings. The second edition will remain available to order.

What's new in the 3rd Edition?

1. 20 lessons in Level 1, for easier academic planning
2. Level 2 split into two volumes, one per semester
3. Student-centered learning objectives at the start of each lesson and progress checklists at the end
4. Let's Take a Break sections after every five lessons for review and reinforcement
5. More task-based, communicative language applications
6. Current, relevant vocabulary and revised grammar notes
7. Exciting new storyline linking all the dialogues and readings
8. Enhanced focus on cultural coverage and comparison
9. All-new, user-friendly full-color design
10. New photos, illustrations, and authentic materials in each lesson

Useless without additional purchases

By Scott

After reading reviews, I thought that this workbook could "stand-alone" but had optional additional materials like a text book and CDs. It seemed like the CDs and textbook would enhance the workbook, but were not necessary for the majority of the worksheets.

I was wrong.

The reviews include reviews for the textbook which caused the confusion. I wish the seller would make more efforts to keep reviews for the two different products separated.

The mix of reviews led me to buy a product I would not have bought otherwise.

While it is not necessarily wrong to sell a workbook that completely depends on other products, that information needs to be clear in the description - especially when the reviews cover multiple products.

No answer key

By Josh Choi

The exercises are great except the answer key is not provided.

Only way to obtain the answer key is to contact Cheng & Tsui.

However, they won't give you the passcode unless you are affiliated with a learning institution.

They told me that they can't give me the answer key due to security reasons.

[How can anyone sell a workbook without providing an answer key???

Great For Self-Study

By Todd

Background

I recently decided to learn Mandarin but I work full-time and my schedule isn't flexible enough where I would be able to take night courses, so I set out to teach myself (with the help of my girlfriend, a native speaker). I looked up several books on Amazon and cross referenced them to local universities to see which were "tried and true" for college level learning. The Integrated Chinese series appeared to be widely used so I purchased the level 1 part 1 textbook and workbook.

Book Structure

There are 10 chapters and each chapter is broken down into two sub-chapters that are identical in structure. Each sub-chapter begins with a dialogue that introduces that new words and grammar rules. Next you are presented with a vocabulary list of new words which generally will consist of 10-20 new words. After the vocab list comes the new grammar rules followed by practice exercises. Each chapter has a theme such as hobbies, traveling, family, etc.

### Opinion

The textbook is easy to follow and the grammar rules are explained in plain English. Level 1 Part 1 is what I would expect from 1 semester of college level language studies. If you're teaching yourself, you'll need someone to help you with your pronunciation. They offer language CDs separately so you can listen to the dialogues, but I didn't bother purchasing them so I'm unable to comment on them. I did purchase the workbook but haven't used it at all because the practice sections in the textbook have been sufficient. Overall I would recommend this book to someone who is motivated to learn Mandarin and at a pace comparable to a college level course.
