MEDICAL LAW AND ETHICS (4TH EDITION) BY BONNIE F. FREMGEN PDF

This is a complete, accessible, and up-to-date guide to the law and ethics of healthcare. Written for health professionals of all kinds – not lawyers – MEDICAL LAW AND ETHICS, 4/e covers the full spectrum of topics that affect practice. Fully updated coverage includes: the legal system, professional liability and medical malpractice, physician's responsibilities, medical records, ethical and bioethical issues, and current regulations. Actual legal cases illuminate subjects ranging from patient confidentiality and abortion to death and dying. Exclusive Med Tips provide quick scenarios and guidance about law and ethics. Each chapter contains glossary terms, exercises, and an actual case; appendices provide current sample codes of ethics.

Excellent overview of medical law and ethics

By Chrissie

Lots of important detail. A book I will keep for future business and regular life applications. It covers subjects well, but also does a good job of offering information for a class that is an overview and limited by just the 3 credits we had for this class. I gained a lot of education from this text.

3 of 3 people found the following review helpful.

Medical Law Ethics and HIPAA

By Anne R. Taverna

Provides essential legal and ethical principle for anyone pursuing a healthcare career. It provides a foundation of all the essentials including the legal system, the patient/physician relationship, professional liability and medical malpractice prevention, public duties of the physician, the medical record, confidentiality, bioethical issues and HIPAA. Great resource for those seeking a career in HIT/HIM.

Simple and Concise

By Vita V.

I finished reading this book even before my class began. Full of information but doesn't bog you down. Very interesting material.
