It has great simple ideas to implement in the classroom

By Amazon Customer

This book is an eye opener. It has great simple ideas to implement in the classroom. Even after teaching 9 years in an inner city school, this book is still extremely helpful.

2 of 2 people found the following review helpful.

Another strong effort

By Greg Wolcott

I have come to expect well written, practical and research based work from Eric Jensen. This is book is full of ideas that can be easily implemented in any classroom.
