Great read& resource

By John Yao

I read the book and then decided I needed to start the journal! Though I was almost into the 2nd trimester with my 3rd child- I started the journal. It was very easy to jump right in from my current week of pregnancy. This journal helped me pinpoint areas of faith for my pregnancy and delivery. I live how at the end of each chapter there is a tidbit if what is developing in your baby and scriptures that can correlate with that area. The only thing I wish is that I started the journal sooner!

Love it!!!
