From the Publisher

Together, they won college football's highest award.

This is a true, memorable, compassionate story of courage and love between two brothers. In 1973, while John Cappelletti was winning the Heisman Trophy as the outstanding college football player in America, his younger brother Joey was suffering from leukemia. But John, now a running back for the Los Angeles Rams, had a very special medicine for Joey. It was called touchdowns. And John scored them in bunches because they were "Something for Joey." The story of the Cappelletti family is a story of courage you will never forget.

A true love story centered around Penn State

By Michael T. Mondak

I am a Penn State graduate, and after reading this book (especially the part where John Cappelletti dedicated his Heisman Trophy to his sick brother Joey), yes, I admit it, I cried like a baby. Took me just three days to finish reading and made me proud to be a Penn Stater like John Cappelletti.

One of my favorites

By K. Smith

I love this book! I have read it so many times, my book has fallen apart, and I have had to purchase a new one. This book is such a touching story about courage and the love between siblings. I am a football fan which does help, but even those who don't understand the game of football, can understand this story of compassion and selfless giving. I don't care how many times I read this book, I cry at the end, even though I know what is coming. **READ THIS BOOK!!!**

A Wonderful Story

By Jan

I bought this book for my 11 yr old grandson who loves sports and loves to read, too. I thought this would combine his two favorite things. Also, I remember when this true story took place, so it was a bit of nostalgia for me, too.
