Great book but old like crazy

By Dr. D.

Great book but old like crazy. Do not follow the treatment in this book just learn from the pathology and the clinical pictures but treatment from the internet!

6 of 6 people found the following review helpful.

Great Book

By Chad

This is a short-hand, easy to reference version of the full sized Rosen's. It is incredibly useful and easy to use. Great for use in the ED while on a shift or for reading quickly on a subject that you want to learn more about.

14 of 16 people found the following review helpful.

concise and easy guide

By Rita Cannon

As a nurse practitioner in an urgent care setting, I have found this book a valuable tool. It is quick and easy to use, yet there is detailed information at my fingertips. It is one of the first books I pull out when I have a question regarding care.
