In some cases, there are lots of publications that are showed. Those publications of course will surprise you as this *The Football Ramble By Marcus Speller, Luke Aaron Moore, Pete Donaldson, Jim Campbell* collection.

Review

"Consistently funny, well-informed and provocative." Jonathan Wilson "Not since the heady days of Baddiel & Skinner has anyone so passionately, so adroitly, so humorously and so consistently deconstructed the joys of the game. The Ramble has long been one of those "if you know, you know" types of phenomena, but this book has all the potential to finally push these heroes beyond Di Natale cult status and up to full blown Zidaneism." Doc Brown "The Ramble is the conversation you'd have with your friends about football. If your friends were witty, dysfunctional obsessives." Kelly Cates, BBC 5Live "The go-to podcast for the discerning fan" The Times "Told in such a fresh way it's a joy to read ... It's nostalgic, entertaining, informative, relevant and refreshing" Eastbourne Echo

About the Author

Excellent entertainment mixed with insights

By Tabitha

Best listen to a few episodes of their podcast first as full enjoyment requires hearing the words in their voice. Likely, you are a fan. Thus, you will know much of the contents of this book. I did. But it is a great pleasure to add more depth and the presentation is well written, funny, and insightful. Well worth it.

You're here because you love the Ramble

By Karaoke Krazy

You're here because you love the Ramble, so buy their book and support the boys. As a soccer book goes, I don't know that I could throw this to my non-ramble friends and expect them to fall in love with it. Some of the chapters stand on their own merits, outside of the context of the ramble. And you'll hear each chapter in your head in the voice of the particular rambler. Why are you reading reviews, if you love the Ramble, you'll find enough to love here, go on get it!

Good and funny read

By Matthew Radwan

Good and funny read, but I was expecting even more, especially from Marcus. Dunno why he didn't write a single chapter.
