Amazon.com Review

The Great Divorce is C.S. Lewis's Divine Comedy: the narrator bears strong resemblance to Lewis (by way of Dante); his Virgil is the fantasy writer George MacDonald; and upon boarding a bus in a nondescript neighborhood, the narrator is taken to Heaven and Hell. The book's primary message is presented with almost oblique tidiness--"There are only two kinds of people in the end: those who say to God, 'Thy will be done,' and those to whom God says, in the end, 'Thy will be done.'" However, the narrator's descriptions of sin and temptation will hit quite close to home for many readers. Lewis has a genius for describing the intricacies of vanity and self-deception, and this book is tremendously persistent in forcing its reader to consider the ultimate consequences of everyday pettiness. --Michael Joseph Gross

Review

"Much deserves to be quoted... attractive imagery, amusing satire, exciting speculations... Lewis rouses curiosity about life after death only to sharpen awareness of this world." (Guardian)

From the Back Cover

In *The Great Divorce*, C. S. Lewis again employs his formidable talent for fable and allegory. The writer finds himself in Hell boarding a bus bound for Heaven. The amazing opportunity is that anyone who wants to stay in Heaven, can. This is the starting point for an extraordinary meditation upon good and evil, grace and judgment. Lewis's revolutionary idea is the discovery that the gates of Hell are locked from the inside. In Lewis's own words, "If we insist on keeping Hell (or even earth) we shall not see Heaven: if we accept Heaven we shall not be able to retain even the smallest and most intimate souvenirs of Hell."

THE GREAT DIVORCE BY C. S. LEWIS PDF

C.S. Lewis' *The Great Divorce* is a classic Christian allegorical tale about a bus ride from hell to heaven. An extraordinary meditation upon good and evil, grace and judgment, Lewis's revolutionary idea in the *The Great Divorce* is that the gates of Hell are locked from the inside. Using his extraordinary descriptive powers, Lewis' *The Great Divorce* will change the way we think about good and evil.

Vivid fantasy of a bus ride through Heaven and Hell - WOW!

By Shelley Gammon

Only C.S. Lewis can write a story like this. A man takes a bus ride through Hell, then Heaven and witnesses the choices made by others in their lives.

The vivid stories within the story show that indecision is still a decision... it underscores the petty things in our lives that we allow to dominate us, things that will still plague us in Hell for eternity if we don't abandon them.

Lewis' concepts (fantasized, of course) of the substance of spirit versus the substance of flesh and blood are incredibly thought provoking. There are mental images I got from reading this book that I will never forget.

It is basic truth - you choose life, you choose death, or you choose not to choose. You will either give up the things that are holding you down (whether they be bitter resentments, anger, material gain, control, etc.) or you will cling to them until they become your master and you their slave.

The book presents these concepts in such a non-threatening way that you've gotten a life lesson that you don't realize until you've finished this short, yet vibrant book.

Great Images of Heaven and Hell

By Bethany McKinney Fox

Although this book is written as a novella, it contains TONS of thinly disguised theological truths and brain-shaking ideas. This is one of those books where everything means something. Every bit of the scenic description of Heaven and Hell reveals something that Lewis believes to be true about the two places and how people respond to them. Other fascinating things about this book are the fictional characters and seeing how different types of people respond to being in Heaven. There is one man who realizes that now that he is in Heaven, and in the presence of God, he is no longer useful. But he doesn't want to start feeling useless, and so cannot enter the presence of God--because in Heaven God provides for everyone's needs. This book really makes you contemplate whether Christianity is more about the journey or the destination. It's entertaining and full of wisdom, and is a must-read.

A miniature masterpiece

By NotATameLion

Some folks only know Beethoven for his 9th symphony. Some folks only know C.S. Lewis for one of his "greater" works. (Mere Christianity, The Screwtape Letters, The Chronicles of Narnia etc..) What a loss. Anyone who has read any C.S. Lewis should make the time over the course of their lives to read THIS C.S. Lewis. I loved this book. No writer in the twentieth century ever hit the nail more directly on the head when dealing with human nature than did Clive Staples Lewis. This book is a perfect example of his talent in this area. Not even the Screwtape Letters did it better. I heartily recommend this book to all readers.
