It will regardless of if they invest cash and also invest even more publications to complete reading, so does this book *The Trouble With Valentine's Day (Chinooks Hockey Team Book 3) By Rachel Gibson*

From Publishers Weekly

"There [is] nothing like one whole day devoted to lovers to make a single girl feel like a loser," muses Kate Hamilton, the heroine of Gibson's frothy new romance set in Gospel, Idaho. When Kate's advances are rebuffed by the sexy man sitting next to her in a bar on Valentine's Day, she feels the sting of rejection—which is soon compounded by humiliation when she learns that the stranger is Rob Sutter, owner of the sporting goods store located next to her grandfather's grocery. Both Rob and Kate have skidded to a halt in Gospel—Kate after her work as a PI unwittingly armed a man with information to track down and kill his family, and Rob after his pro hockey career was derailed by a gun-toting psychopath. Instead of exploring this weighty material, Gibson focuses on such lighthearted frolics as whipped-cream fights in the aisles of Kate's grocery store. Because Rob remains literally and figuratively behind the wheel of his Hummer and Kate never fully faces her own demons, their romance lacks emotional heft. Gibson also portrays Gospel's elderly citizenry as cartoonish, rendering what could have been a poignant romance between Kate's grandfather and Rob's mother as condescendingly sweet. The novel begins and ends on Valentine's Day, and the rest of the story never transcends the holiday's reputation for false promises.

Starred Review Kate Hamilton is a private detective on hiatus because after she helped a man find his family, he turned out to be a homicidal maniac. She is looking for some R & R at her widowed grandfather's house in Gospel, Idaho. En route, she stops at a ski lodge in Sun Valley and decides to break her own rules by having a one-night stand with a gorgeous man. But much to her chagrin, he not only turns her down, he also lectures her. Rob Sutter wants nothing to do with loose women in bars. His last partner in forbidden love was a psycho stalker who shot him, ending his career as a professional hockey player. When Kate gets to her grandfather's, she meets his new friend, none other than the dream guy from the ski lodge. Now Kate has to prove to Rob that she is not really a slut. Unabashed matchmakers, including a romantic, second-time-around older couple and some of the world's worst poets, populate the close-knit community that award-winning Gibson brings so vividly to life in this heartwarming, small-town romance filled with humor, charm, and passion. Shelley Mosley

THE TROUBLE WITH VALENTINE'S DAY (CHINOOKS HOCKEY TEAM BOOK 3) BY RACHEL GIBSON PDF

It's the one day each year when being single is a sin . . .

The Trouble With Valentine's Day?

It just plain stinks!

Kate Hamilton should know. Dumped by her boyfriend, burnt out by her job, she's returned to Gospel, Idaho, where a Mountain Momma Crafters' original poetry reading is about as good as it gets on a Friday night. Then her first attempted seduction of a hunky stranger is completely rejected. So much for her self-esteem!

It turns out that Rob Sutter, former ice hockey madman, owner of Sutter's Sports—and the hunky stranger who told her to get lost—has been more than burned by love and isn't looking for a relationship. But then he and Kate find themselves in an ultra-compromising position in the M&S Market after-hours, giving the phrase "clean up in aisle five" a whole new meaning, and causing a whole lot of gossip in Gospel . . .

Don't forget the heart, Ms. Gibson...

By MN Bookgal

Kate is at a crossroads in her life, both professionally and personally. She decides to move to Gospel, Idaho to help her recently widowed grandfather run his grocery store. On the way to Gospel, Kate hopes to live out a fantasy and have hot sex with a stranger at a hotel. Unfortunately, the tattooed stranger turns her down flat. Things get more interesting when the stranger turns out to be Rob, a former pro hockey player who runs a sporting goods store near her grandfather's grocery store.

Although *The Trouble with Valentine's Day* is entertaining, it falls short. I have read quite a few Gibson books and consider *See Jane Score* her best by far. The dialogue and storytelling keep the pages flying.

The Trouble with Valentine's Day had promise but she needs to freshen things up a bit. Do we really need another hero with a tattoo? This time it's an enormous snake that wraps itself around Rob's body. Secondly, her fascination with light reflection---blue from the dashboard, gold from the window, etc.---gets old really fast. She does this in nearly EVERY book. It has become a distraction for me.

Luckily, Gibson has continued with her humorous dialogue and interesting secondary characters. However, following her grandfather's sweet romance only points out the weakness in this story. While Kate and Rob generate hot, sweaty scenes, they are missing heart.

Note: the author needs a better editor. Rob is a former hockey player from the NHL not the NFL. Geesh!

Still A Good Read

By C. A. Dahl

I have to put my two cents in. I almost didn't read this book because of the bad reviews, I'm glad I changed

my mind! While this book is not Ms. Gibson's best, it is a worthwhile read.

As to all the complaints about the fu mancho, get over it!! Is every male character suppose to be generic in looks? As to Rob's cheating, get over that as well. He's a flawed character who changed his ways. Is every hero suppose to be perfect? Sometimes characters disappoint us.

Again, while this is not up to par with some Ms. Gibson's other works, it still is worth reading. I found it very enjoyable.

Funny and light read

By Tracy Vest

Kate is a PI on the road to recovery after suffering a devastating loss. She decides to escape to the wilds of Idaho to spend time with her grandpa. Along the way, she stops for the night - Valentines Day - at a ski resort due to bad weather. Maybe it was the hot buttered rum, or the fact that she was dumped by her longtime boyfriend the previous Valentines Day (only to have him marry the rebound girl), but Kate hates Valentines Day and decides to do something out of character - proposition a stranger, only to be shot down cold despite the flirting and sparks that is evident between the two.

Fast forward a few weeks, where she is dutifully helping grandpa with his grocery store and meets the man who owns the sporting good store across the street - and it just happens to be the same man who turned her down.

Rob, a former hockey player, was a dominating force on the ice, only to have his career destroyed after a one-night stand with an obsessive fan while separated from the woman who trapped him into marriage because she was pregnant with his child.

After a lot of hilarious meetings and bantering between the Kate and Rob, they finally start to realize that there is an attraction between them. And they finally start to act on the feelings, despite not really have faith or trust in one another. During which her grandpa and his mother fall in love and teach them a thing or two about trust and love. Although the book lacks emotional depth, it is a nice distraction and a quick read. I thought the ending was cute too!

Rob's tattoo alone had me wondering what it looked like in the flesh so to speak. I'd want to see this made into a movie for that alone! As for the goofy mustache and soul patch - hey, he finally shaved, didn't he? Get over it ladies! As for the typos - blame the editors, that is what they get paid for!
