After getting this quick description, hopefully you can download and install one as well as start to review [To Lure A Proper Lady \(Duke-Defying Daughters Book 1\) By Ashlyn Macnamara](#) This book is very easy to review every time you have the leisure time.

TO LURE A PROPER LADY (DUKE-DEFYING DAUGHTERS BOOK 1) BY ASHLYN MACNAMARA PDF

In this steamy novel from bestselling author Ashlyn Macnamara—“a born storyteller” (Jennifer McQuiston) who “brings all the elegance and romance of the Regency to life” (Tessa Dare)—a dutiful young lady tries to resist the charms of a rogue from the legendary Bow Street Runners.

When Lady Elizabeth Wilde and her sisters are summoned once again to their chronically anxious father’s deathbed, she’s shocked to find that his worries are at last justified. He’s terribly ill, and Lizzie suspects poison. But when she seeks help from the Bow Street Runners, her request is answered by a rough-hewn rogue known only as Dysart. Though his irreverent charm by turns shocks and captivates her, a man of Dysart’s background is an altogether inappropriate choice for a duke’s daughter—isn’t he?

Although Dysart has his reasons to disdain polite society, the promise of supplemental income from a noble’s coffers is too tempting to deny. But if Dysart means to apprehend the culprit who poisoned the duke, he’ll need to avoid any and all distractions—like the delicious swish of Lady Elizabeth’s hips. Yet as the investigation begins to unearth secrets he’d rather remain hidden, Dysart must decide at a moment’s notice whether to hold Elizabeth at arm’s length . . . or pull her dangerously close.

Praise for the novels of Ashlyn Macnamara

“Ashlyn Macnamara weaves tales rich in angst, humor, and history as she treats readers to the steamier side of Regency. Her inventive prose has secured her a place on my auto-buy list, and her memorable characters have secured a place in my heart. Don’t forget to set your morning alarm, though. You’ll be reading long past your bedtime!”—New York Times and USA Today bestselling author Jennifer McQuiston

“A witty, sexy historical romance . . . Pain, scandal, forgiveness, honor, intrigue, passion, clever banter, romance and love all play a part in this delightful tale, which will keep readers turning the pages.”—Romance Junkies, on *What a Lady Craves*

“An intriguing, dramatic, and sexually charged novel that is recommended for most historical romance lovers.”—Library Journal, on *What a Lady Demands*

“A wonderful tale depicting an intelligent heroine who speaks her mind, and a misguided hero who is struggling with his past.”—Fresh Fiction, on *What a Lady Requires*

This meeting was wonderful..

By N. Royalton, OH Mom

This is the first book in a new series by Ashlyn Macnamara. Lady Elizabeth Wilde is the oldest of three daughters of The Duke of Sherrington. As the Duke lay on his deathbed, he explains to his daughter that wants her to be married and he is pushing for a union with her cousin, Snowley. The Duke also wants Elizabeth to go ahead with annual house party they always host, because then maybe one of his daughters will find an eligible suitor. Elizabeth is concerned about her father's health and believes he is being poisoned so she goes to Bow Street hoping to hire a runner to find out the truth.

On Bow Street, Elizabeth runs into Dysart. This meeting was wonderful...full of humor and unexpected emotions! Elizabeth decides to hire Dysart and they come up with a plan that he will attend the house party as a guest while trying to dig up facts on if the Duke is being poisoned.

The time these two spent together was great! I loved how Elizabeth was such a strong willed female and how Dysart enjoyed being with her. It was such a fun cat and mouse game trying to figure out what was happening to her father. The suspense of this story line made me not want to put this book down. The sexual attraction between these two was just icing on the cake.

Dysart's backstory added another twist to this tale. The final explosive ending was great. All in all I really enjoyed this book and could not put it down.

Middle of the road read for me

By Krystal

This book hit a solid middle of the road for me. There wasn't anything that particularly stood out for me, but I didn't completely hate it either.

For the most part, I enjoyed these characters. The Wilde sisters were an interesting bunch, and the supporting characters really brought this story together. I especially liked their Great-Aunt who seemed to know more than she let on. In fact aside from the sisters themselves, she was my favorite.

One thing I did find a bit hard to believe however is that Dysart - who has made a career out of being a Bow Street Runner - seemed to have such a hard time getting to the bottom of this mystery. In fact it seemed like he didn't even solve the mystery himself, but rather had the answer land almost squarely in his lap. I felt there could be been a lot more done with his character that would have made him seem more realistic. Also, the fact that he seemed determined to paint one character as the villain simply due to a past encounter was a bit annoying. It seemed as though he was entirely too focused on this one individual and that was the reason he was unable to put things together in a more timely manner.

As for the romance itself, it was sweet. Yes - there is some sexual encounters before marriage (which if this is not your cup of tea, you can just as easily skip over these parts and not miss anything crucial to the story). I felt that they had a romance that sort of blossomed over time, even though you could tell there was an almost instant attraction between them.

Overall, I would continue on with this series if for nothing else than to see what the author does with the other two sisters, as well as see more of Lizzie and Dysart. I would recommend this novel to those who enjoy a little mystery with their romance.

DISCLAIMER: I received a complimentary copy of this novel in exchange for my honest review. This has not affected my review in any way. All thoughts and opinions expressed in this review are 100% my own.

Funny

By Lori Meehan

At first I didn't think I was going to enjoy this book. I felt the beginning stumbled along and didn't flow well at all. When I did start to flow my first thought was Im really going to like these sisters. Lady Elizabeth and her sisters Caro and Pippa had great banter and sarcasm that they reminded me of my own sisters. Dysart is not my favorite hero but he was likable. Lady Elizabeth just had way more personality and wit.

I would like to see where the author takes this series so I'm looking forward to the next book.
