For those who are serious rock guitarist.... GREAT !!!!

By A Customer

Amazing book - to guitar players only - , if you want to learn VH songs and EVH style, this is the book, of course, you have to know about it and have good technical skills with the instrument, add some good ears too... all the tabs are oriented to the guitar and are perfect... exacts and easy to understand...

"what it's understood need not be discussed..."

1 of 1 people found the following review helpful.

My favorite music book along with this companies transcription of Ozzy Osbourn's "Diary of a Madman"

By OldProChef

Mine is in tatters. Way better than online crap you see people trying to pass off as the real stuff. My favorite music book along with this companies transcription of Ozzy Osbourn's "Diary of a Madman"
