This book is a necessary addition to every believer's library. It is one of the finest books I have ever read on the authority of the born-again believer! There is so much great information to be gleaned from this book. As with every other book I have ever read from Charles Capps, this book also earns 5 stars! Purchase it, read it, study it, and apply it! The proof of the pudding is in the eating! Well done Brother Capps!

our words make a difference!

I fought the idea that my words would make me or break me.... however, The Lord has shown me through His Word and this book that indeed... death and life are in the power of the tongue! Very good book, and easy to understand!
