You've Got Tail from USA Today bestselling paranormal cozy mystery author Renee George is a laugh-out-loud tale of kidnapping, murder, and a town full of people hiding the truth. Fall in love with a hilarious cast of characters in Book 1 of Peculiar Mysteries; a paranormal romantic comedy that will not only have you laughing...it will also melt your heart as Sunny Haddock tries to unravel the strange happenings in Peculiar, Missouri..

Welcome to Peculiar, Missouri!

Sunny Haddock, an animal-loving vegetarian psychic, is stoked to leave California behind to start a new life in the Ozark town of Peculiar with her best friend Chavvah Trimmel. She ups the moving date when Chav goes missing, and Sunny high tails it to the small town. What Sunny doesn't realize is that she's moving into a community of were-shifters, and they don't want a human resident. Especially one dumb enough to arrive a couple of days before the full moon--the only night of the month shifters have to take their pure animal forms.

When the gorgeous Babel Trimmel, Chav's younger brother, (along with the sheriff, the mayor, and some other nice folk) suggests Sunny haul her U-haul and butt back out of town, she's undeterred. Her psychic abilities might be out-of-whack, and blood makes her faint, but she's not a quitter. Besides, she's not about to go anywhere until she finds out what happened to Chavvah.

But Sunny has more to deal with than unfriendly townsfolk...like disturbing killer visions and the dog-like animal no one else sees that seems to be stalking her every move. To make matters worse, she is finding Babel to be more irresistible than crack on a donut.

Sunny needs to get her ability and her hormones under control if she wants to solve the mystery and save her best friend.

"Move over Cesar Millan, Sunny's in town, and this psychic makes house calls. Hilarious!" Dakota Cassidy, USA Today Bestselling author of the Accidental series.

This paranormal cozy mystery contains werewolves, shifters, psychics, ghosts, and supernatural beings.

paranormal fun!

By alwaysstimetoread

Finally, a new author for my watch and buy list, who puts together a story (a whole story, not just bits and pieces or not fleshed out ideas). In this book you meet Sunny (a psychic, not psycho, gotta love how she distinguished there), and you join her on her adventure to save her bestie and find love (unexpectedly). The heroine is kick butt, though not I'm a classic fighting way, more so she gets her butt kicked but bounces back each time to keep on going, until she gets the bad guy and her hea. This book is a full stand alone, but so many characters in the town were introduced, including a hot shaman and Sunny's BYF, who could definitely star in future books (please!). If your loving for a book that keeps you turning the pages anticipating where it is go on next, this is a great one for you, with a entertaining cast of characters, psychic visions and paranormal elements, and some hot/sexy times with true love emerging, this covered all my basis. I was provided with an ARC, but would have bought this one anyways!

MUST READ-SPECTACULAR & ROMANTIC!

By midniteink

You've Got Tail-An enthralling story of intrigue, suspense and sizzling romance.

The story features Sunny Haddock, a sexy, audacious, beautiful psychic committed to finding her missing best friend Chavvah; Babel, a sultry, buffed, and gorgeous younger brother of her best friend; Phantom dog, whose primary goal is helping Sunny solve the mystery of her missing best friend.

What you'll find in this story; a cast of awesome impressive and engaging characters, spectacular story-line, picturesque and powerful scene descriptions, phenomenal banter, camaraderie, life threatening incidents, pent up rage and desires, heart-rending moments, shifters, heart-stopping suspense, shocking odious crimes, jaw-dropping pulsating romance, and a conclusion that soothes the soul.

HORRIFIC DANGER LURKS AMONG THE UNSPECTING CITIZENS OF PECULIAR!

Incredible exhilarating well written read. Renee has pushed the boundaries of imagination to create an entertaining story that astounds you from beginning to end. The characters are credible and certainly praise-worthy. Faced with many stressful perils Sunny did not succumb to defeat; her passion and lion-hearted persona make her a most valiant heroine; Babel's protective nature and unfading devotion shines like a beacon. I relished this story, it was a most gratifying read. If you dote on shifter fantasy with sizzling romance, mystery, and humor this is definitely a fabulous choice for your library. {I was given a copy of this book for a completely truthful review}. In the world of shifters the possibilities are endless and always fascinating. Without reservations I highly recommend this book....

WOW!!!!!!!!!!!!

By Chloegirl

First, this cover does not do this book justice! I expected a light, little, cutesy story. Oh no!! This is up there as one of the better paranormal mysteries I have read, & believe me I've read a lot! It had twists & turns, & mystery, & some really hot passionate scenes! But above all, it touched my heart. It made me laugh & it made me cry my eyes out. I am so glad this book was recommended to me. If you like hot paranormal romance/mysteries make sure you read this one!! Now I am eagerly awaiting book #2!
